CANDIDACY COMMITTEE RECOMMENDATION FORM

By October 31st, 2012, each advisor will consult with each of his/her second-year graduate students and for each will suggest at least three appropriate faculty members as the "in-field" members and three appropriate faculty members as the "out-of-field" members of the Candidacy Committee.

(Faculty members shall be from the chemistry faculty; members from other options may be included as additional committee members.) By November 21st, the Graduate Study Committee will select from the list the Candidacy Committee for each second-year student, with the criteria of spreading the Candidacy Committee responsibilities equally over the division and yet of satisfying the advisor's recommendations.
