

**CALIFORNIA INSTITUTE OF TECHNOLOGY  
FORM FOR THE CHEMISTRY OPTION COURSE PROGRAM**

Courses may be either inside or outside the chemistry option, must be numbered 100 or greater, and must be taken on a letter-grade basis unless the course is offered with only the pass/fail option. A grade of B or better is required for credit and at least five courses of 9 units or more are required. You should discuss with your adviser which courses best serve your individual needs. Coursework outside the scientific area in which the dissertation research is performed is encouraged.
