Problem Set 3
Due in class at 9:00 AM on Friday, April 28
Chapter 20: 24, 37, 38, 42, 47, 52, 53, 54

Chapter 20: Chemistry of Carboxylic Acids
Reading: Chapter 20, except 20.3

A. Introduction
B. Synthesis of Carboxylic Acids
C. Reactions of Carboxylic Acids
   1. Formation of Esters
   2. Formation of Acid Chlorides
   3. Reduction to Primary Alcohols
   4. Decarboxylation
